The Canadian Lakehead Wireless Experimenters

The regular meeting of The Canadian Lakehead Wireless Experimenters was held on Wednesday, December 13th, 1950 at 8:00 pm in the basement of the R.C.A.F. Building, Fort William, Ontario.

Roll call revealed that the following members and interested persons were present:

Harold Peerenboom - VE3EAI
Ben Burrell - VE3BMT
Jack Morphet
Frank Start - VE3AJ
G. Alex Fulton - VE3AKI
Bert Tamblin - VE3ANP

Tom Danberger - VE3DKI
Allan T. Foss
Bob McNeill
Ernie Reid - VE3BIX and
Jim Patterson

The minutes of the previous meeting were confirmed on motion of G. Alex Fulton - VE3AKI and Frank Start - VE3AJ.

Bert Tamblin reported that he had been in contact with Alex Reid, Canadian General, A.R.R.L., who advised that in Canada no definite frequencies had, as yet been set aside for Civil Defence purposed.

Two very interesting films were shown by Jim Patterson after which refreshments were brought down from the restaurant next door and a general rag chew took place around the tables while enjoying the lunch.

At adjournment time, it was felt that a discussion regarding the club operation would be in order. It was proposed that for the January meeting the following might be considered:-

One or two interesting films

A lecture on some technical subject pertaining to our hobby and a general rag chew.

It was also suggested that the Secretary secure a list of all the Lakehead Hams from the Radio Inspector and that when this is received a bulletin be sent from the club, one week in advance of the next meeting, setting forth club and amateur activities, and also notification of the forthcoming meeting.

It was also suggested that the Executive Committee should meet before the January meeting and discuss plans for the year 1951.

The meeting adjourn in the wee hours of the morning of December 14th.
